## RETRACTABLE FLOOR BASE

Designed to allow front access to installs that are fitted close to store windows. The Retractable Floor Base fits directly to a range of B-Tech Vertical Columns and Floor Poles, enabling the display stand to be smoothly moved up to 400mm backwards. This allows access to the front of the cabinets for servicing and maintenance whilst the base remains securely fixed to the floor throughout.

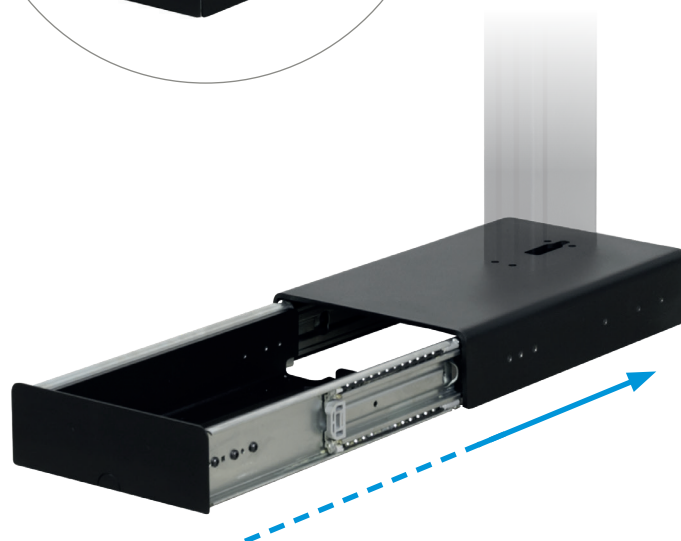

### SPECIFICATION

Maximum Retraction	400mm
Dimensions	W: 262 x H: 88 x D: 426-832mm
Colour	Black

### FEATURES

- Sliding floor base retracts a System X column/display stand backwards
- Ideal for shop fronts, close-to-the-window installations
- Fits directly to System X BT8380 Columns, BT8381 Columns & Ø50mm Floor Stand Poles (BT4107, BT4116 & BT4118)
- Lockable mechanism
- Small internal storage area available, ideal for power supplies, extension cord etc.
- Cable management
- Handle included to aid with retraction
