These values are estimates based on the most common features of recent models. Exact dimensions may vary between different brands and smartphone models

**Compatible Dimensions**

**A secure and practical solution** for storing smartphones in the classroom.

### Integrated handle

The sturdy and well-positioned handle facilitates the transportation of the product, allowing for easy and secure movement.

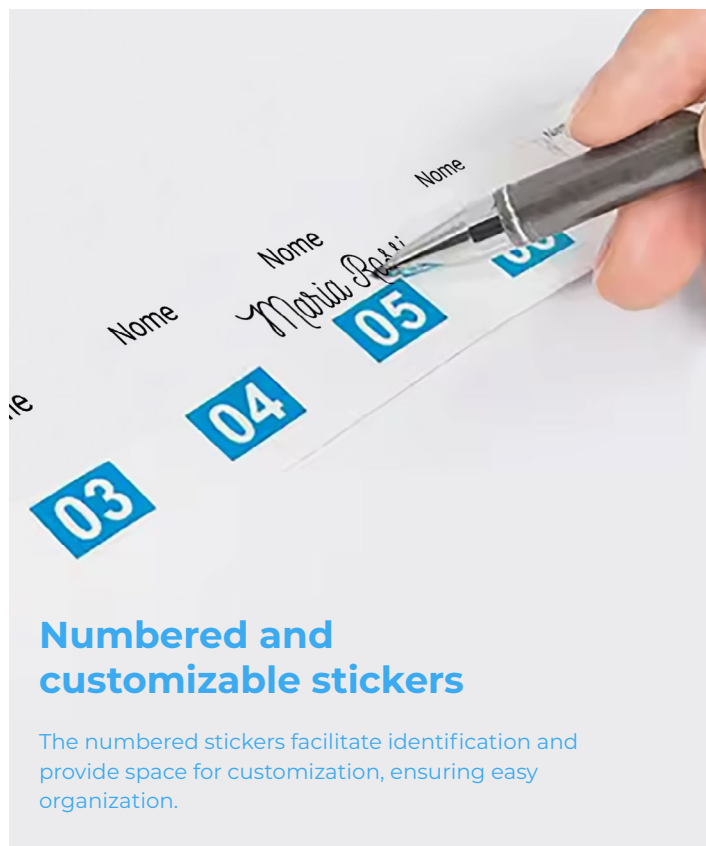

### Safe corners

The device's corners are designed to be rounded and free of sharp edges, ensuring safety during use and reducing the risk of damage or injury.

### Security system

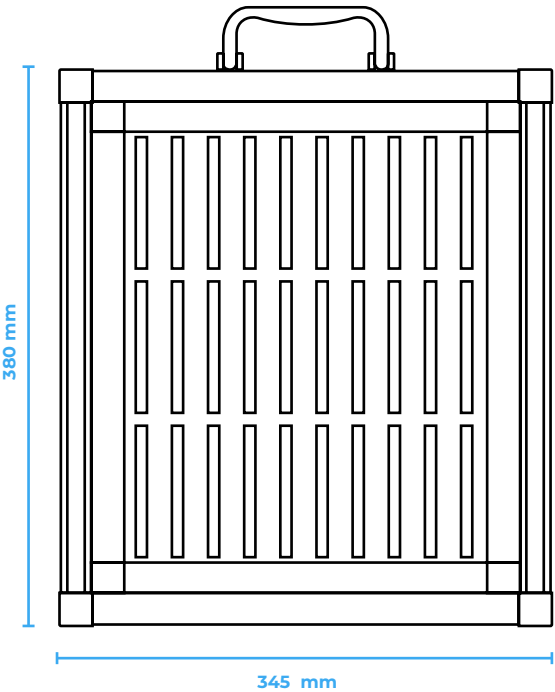

Includes a key-locking system that secures the contents of the device. This ensures that the smartphones inside are safe and protected from unauthorized access.

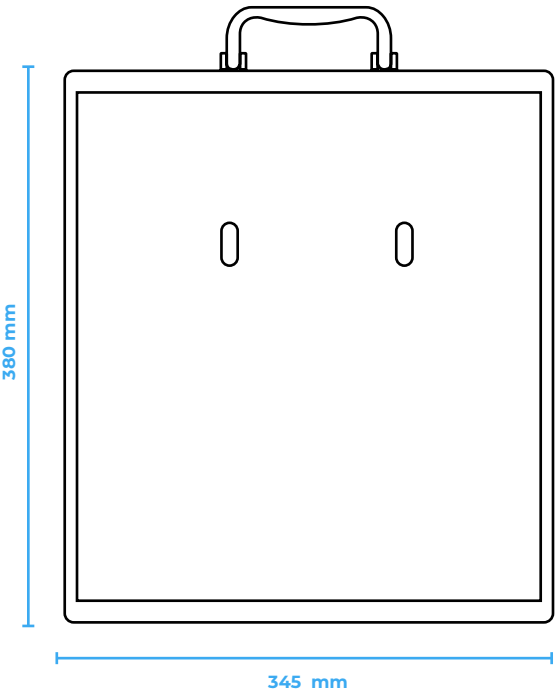

### Numbered and customizable stickers

The numbered stickers facilitate identification and provide space for customization, ensuring easy organization.
