

BT5911 **LARGE DOME SECURITY CAMERA MOUNT**

FOR Ø38MM POLES

The BT5911 is a CCTV dome camera mount from B-Tech's System V Range; a collection of components designed for the installation of CCTV and other ceiling mounted equipment. Designed for use with BT5935 ø38mm poles, the mount can support large dome cameras up to 5kg and when used with other parts from the System V Range, allows professionals to customise their ceiling mounted security solutions to their specific requirement.

SPECIFICATION	
Maximum load	5kg
Camera fixings dimensions	51mm - 251.5mm
Camera plate diameter	268mm
Colour	White

FEATURES

- Mount a large dome CCTV camera to the end of a BT5935 ø38mm pole
- Carousel suitable for cameras with fixings from 51mm up to 251.5mm apart
- Grub screws allow micro-adjustment of the mount to ensure camera sits level
- Safety bolt ensures pole and camera mount are securely joined
- Integrated cable management allows cables to pass through the centre of the mount
- Create a variety of ceiling mounted CCTV installs using System V's range of components

Attaches directly to **BT5935** ø38mm poles

Multiple mounting points for large, domed CCTV security cameras

Safety bolt ensures pole and camera mount are securely joined

Complete off-the-shelf kits also available (image shows BT5961-FD100)
