Universal Projector ceiling mount PJ01UCM

Ceiling mount for V, M, P and PA Series

Universal Projector ceiling mount for installation of NEC V, M, P and PA Series projector.

The PJ01UCM is engineered for compact strength and is designed with superior grip adjustment knobs to deliver the easiest fine-tuning for precise image alignment, with the capacity to hold up to a 20kg projector.

While stout and sturdy in structure, this mount boasts premium adjustability and enhanced functionality. No tools are required for image alignment, thanks to the dual-knobs design which provides a hassle-free method for micrometrical adjustment of the gears.

PJ01UCM

Tilt Mechanism – up to 30°

Optional extension columns Available in white

Delivering Genuine Benefits

- Easy fine-tuning for precise image alignment
- No tools required for image alignment
- Integrated cable management through optional extension column for clean appearance
