WARNING:

- Wind Up stand must be rated for assembly weight (50kg rated load min).
- Wind Up stand must always be installed on a horizontal surface.
- Stand height and footprint must be defined to prevent assembly from collapsing.
- Ensure that public is not allowed within a safety area within a radius that is equal or higher than the assembly height.

- NEXO cannot accept responsibility for accidents caused by any factor other than defects in this product itself.
- Please check the web site nexo-sa.com for the latest update.
